### EXCLUSIVE!

## RUBBLES DIVORCING?

In this exclusive, copyrighted story, our newspaper reveals the start of divorce proceedings between Barney and Betty Rubble of Bedrock.

The full details of this sensational event are to be found in *Flintstones #3*, out this month.

An unnamed source close to the Rubbles declared, "Imagine that woman blaming it all on us Water Buffaloes! All I can say is," the source went on, "the Rubble divorce is gonna be hardest on me. My wife is threatening to leave me. Secondly, the little guy is sleeping at my house and he's the loudest snorer I ever heard!"

Where is this leading? Will the world of the *Flintstones* ever be the same? The unabridged answer will be found in *Flintstones #3*.

## SCOOBY AND THE GANG JOIN THE ARMY

When Fort Terry Pendleton is haunted by the ghost of a revolutionary war hero, Scooby, Shaggy and the rest of their ghost detective pals join the army to solve this stupefying mystery.

Amidst ghosts on horseback, skeletons in closets, maddening USO singers (including lead singer Scrappy) and the worst master sergeant ever to wear khaki, this is the most mystifying and hilarious case the team has faced.

"When Scooby Comes Marching Home" is the can't-miss feature in *Scooby #2*, at newsstands right now.

## GEORGE JETSON BECOMES JUDY!

... and Elroy becomes George and Judy becomes Astro and Jane becomes Elroy and Astro becomes ... Jane?

This is the mixup of all mixups as the latest technology goes haywire and the world of

the *Jetsons* goes completely off its axis.

"Switch" is just one of three super stories in this month's *Jetsons #3*, a wild comedy you'll never forget. When begged for comment, "Ry ravorite," barked Judy. "Ruff, ruff."

And when Mr. Spacely confronted George, the world's most famous button pusher answered, "Stop calling me George. My name's Judy."

Better order your issue now before your local store is sold out. This one's a keeper.

SAME AS YESTERDAY!**

# ANT AND SQUIRREL ARE A TEAM!

Secret Squirrel and Atom Ant are the superstars in the very first super issue of HANNA-BARBERA PRESENTS, debuting this month. This new bi-monthly comic will feature either a different star each time or special pairings that have never happened before.

For the first time in history, these two crime-busting powerhouses join forces in one story. Standing side by side -- well, let's make it face to entire body -- the two are in the fight of their lives as they battle the evil Blowfish in this historic adventure.

Next month: **Scooby-Doo** and his supernatural super sleuth sidekicks try to solve the mystery of the Ship of Dummies, a cruise ship filled with luxuries, pirates and ghosts. The **Flintstones** and **Rubbles** try for the jackpot at Rock Vegas and end up with a casino filled with trouble. **George Jetson** is caught in a TV time warp as he is trapped in the skin of an old-time detective without a clue how to get out of it. **Yogi Bear's** insatiable appetite thrusts him into the midst of a crime ring that is out for his head! There's Yogi, **Quick Draw McGraw** and the Flintstones in this second big issue of Hanna-Barbera All Stars.
